The letter will explain your options for Medicare coverage in your area.

You may ask us for an expedited (fast) coverage determination or appeal if you believe that waiting for a decision could seriously put your life or health at risk, or affect your ability to regain maximum function. If your doctor makes or supports the expedited request, we must expedite our decision. Finally, you have the right to file a grievance with us if you have any type of problem with us or one of our network providers that does not involve coverage for an item or service. Drugs covered under Medicare Part D General

This plan uses a formulary. The plan will send you the formulary. You can also see the formulary at www.unisonhealthplan.com on the web.

Different out-of-pocket costs may apply for people who

- have limited incomes,
- live in long term care facilities, or
- have access to Indian/Tribal/Urban (Indian Health Service).

The plan offers national in-network prescription coverage (i.e., this would include 50 states and DC). This means that you will pay the same cost-sharing amount for your prescription drugs if you get them at an in-network pharmacy outside of the plan's service area (for instance when you travel).

Total yearly drug costs are the total drug costs paid by you, the plan, and Medicare.

The plan may require you to first try one drug to treat your condition before it will cover another drug for that condition.

Some drugs have quantity limits.

Your provider must get prior authorization from Unison Advantage Plus Integrated Care (HMO) for certain drugs.

The plan will pay for certain over-the-counter drugs as part of its utilization management program. Some over-the-counter drugs are less expensive than prescription drugs and work just as well. Contact the plan for details.

You must go to certain pharmacies for a very limited number of drugs, due to special handling, provider coordination, or

Medicare Advantage health plan organizations must identify, track, resolve and report all activity related to an appeal or grievance.

Medicare Advantage Member Appeals

What is an Appeal?

An appeal is a type of request you make when you want us to reconsider a decision concerning coverage of a service or the amount your health plan pays or will pay for a service. The initial decision concerning medical care or services is called an "organization determination."

When can an Appeal be filed?

You may file an appeal within 60 calendar days of the date of the initial organization determination. The 60-day limit may be extended for good cause. Include in your written request the reason why you could not file within the 60-day timeframe.

Who can file an Appeal?

You may file an appeal or someone else may file an appeal on your behalf. You must appoint the individual to act as your representative to file the appeal for you. To learn how to name a representative, contact Customer Service.

How can an Appeal be filed?

Fast Reviews

You have the right to request and receive fast decisions affecting your medical treatment in "time-sensitive" situations. A situation is time-sensitive if waiting for a decision to be made within the standard timeframe could seriously harm your health or your ability to function. If your doctor provides a written or oral statement supporting your need of a fast review we will automatically give you a fast review. A decision will be issued as quickly as possible but no later than 72 hours after receiving the request.

Medicare Advantage Member Grievances

What is a Grievance?

A grievance is a complaint that doesn't involve coverage for an item or service by your health plan or a contracting medical provider. If your grievance involves quality of care, you have the right to file a grievance with the Quality Improvement Organization (QIO) of your state. Refer to Section I of the Summary of Benefits for the name and phone number of the QIO in your state.

Include in your written request the reason why you could not file within the 60-day timeframe. There is no time limit for complaints concerning quality of care.

Who can file a Grievance?

You may file a grievance or someone else may file a grievance on your behalf. You must appoint the individual to act as your representative to file the grievance for you. To learn how to name a representative, contact Customer Service.

For Members with Medicare Part D Drug Coverage through our Plan

Coverage Determinations

We will make an initial decision as to whether or not we will provide the Part D drug you are requesting or pay for the Part D drug you already received. This initial decision is called a "coverage determination."

Exceptions

You or your doctor may ask us to make an exception to our Part D coverage determination. You may request an exception if you believe you need a drug that is not on our list of covered drugs. Generally, we will only approve your request for an exception if the alternative Part D drug is included in your plan's formulary would not be as effective in treating your condition and/or would cause you to have adverse medical effects. **Your doctor or other prescriber must submit a statement supporting your exception request.** In order to help us make a decision more quickly, the supporting medical information from your doctor or other prescriber should be sent to us with the exception request. If you think you need an exception, you should contact us before you try to fill your prescription at a pharmacy.
