

## Unison's Pharmacy Program's Mission

At Unison Health Plan, we strive to stay on the clinical forefront of new programs, clinical services and initiatives. As you are reading this, we are working to develop new quality management initiatives to further ensure you receive the quality care you deserve. Unison's Tablet Splitting Initiative, Automated Prerequisite Step Therapy Policies and our Quality Management Drug Program reflect how Unison's Pharmacy team is working to maintain an innovative pharmacy management strategy while improving quality of care. For more information on these or other ongoing initiatives, please do not hesitate to contact us.
