Autism Spectrum Disorder Treatment Benefits

In accordance with Act 62, services related to the diagnosis and treatment of Autism Spectrum Disorders are covered for eligible members under 21.

Coverage for autism spectrum disorders is limited to a maximum benefit of \$36,000 per member per plan year.

For more information on autism benefits or if you need help finding a provider, our Special Needs Unit can be reached at 877-844-8844 (hearing impaired: 711).
