What Programs are Available?

Children's Health Insurance Program (CHIP):

Free CHIP:

Provides free health insurance for uninsured children and teens up to age 19 who qualify and are not eligible for Medical Assistance.

Low-Cost CHIP and Full-Cost CHIP:

Provides low-cost health insurance for uninsured children and teens up to age 19 who qualify and are not eligible for Medical Assistance. Families must pay a monthly premium for each child and there are copayments for certain services.

adultBasic:

Provides low-cost health insurance for adults (uninsured for at least 90 days except if uninsured as a result of no longer working) from age 19 through 64 who qualify and are not eligible for Medical Assistance or Medicare. Because of funding limitations, eligible applicants may be placed on a statewide waiting list. However, anyone on the waiting list may purchase adultBasic while on the waiting list. Choosing to purchase or not purchase adultBasic coverage will not affect a person's place on the waiting list.

Medical Assistance:

Provides free health insurance for children, teens and adults who qualify.

Enrollment in CHIP, adultBasic and Medical Assistance is based on household size and income. This application will work for all of the above programs. All information you provide on this form is confidential and may be shared between the programs as necessary. The age of your child(ren) as well as your household income will determine which program is right for your family.

- If your child is not eligible for CHIP or you are not eligible for adultBasic, this application will be sent to the County Assistance Office to see if either you or your child is eligible for Medical Assistance.
- You will get a letter from us within 30 days telling you what has happened to the application and what to expect.

- I understand that I have a right to a certificate of creditable coverage to verify my medical coverage. Federal law limits when health coverage may be denied or limited for a preexisting condition. If I enroll in a group health plan that has a preexisting condition, I can get credit for the time I received Medical Assistance.
- I understand that if some or all of the individuals applying do not qualify for Medical Assistance, they may be eligible for CHIP or adultBasic. If this is the case, then I will allow the Department of Public Welfare to give my name and information on this application to the Insurance Department or the CHIP or adultBasic contractor. I understand my rights and responsibilities under CHIP and adultBasic.

I certify that, to the best of my knowledge, I understand my rights and responsibilities and that the information included in this application is complete and true under penalty of perjury. I also certify that knowingly providing false or incomplete information on this application is insurance fraud.

I understand that all individuals applying will be provided access to coverage under the program for which they are eligible, if they are found eligible for Medical Assistance, CHIP, or adultBasic.

I will allow the Pennsylvania Insurance Department to give any and all information found on this application to the Department of Public Welfare if any applicants may be eligible for Medical Assistance.

I certify that the person(s) I am applying for are U.S. citizens or aliens in lawful immigration status. (I understand this certification does not apply to an alien who is applying only for Medical Assistance Emergency Health Care benefits.)

I authorize the release of personal, financial, and medical information for the purpose of determining eligibility and for review of the program(s) for which I am applying.
