

**Subject: Emergency Room Services**

**Scope: Unison MedPLUS & Unison Kids**

**Effective July 17, 2006, the Pennsylvania Department of Public Welfare transitioned from local codes to the 99281-99285 code set for Emergency Room services. Unison Health Plan also transitioned to those codes. The PA Medical Assistance Pricing and Informational modifiers must be included on your claims as they are clean claim requirements. With the exception of converting to the 99281-99285 code set for ER services, please continue to follow the same process for submitting your ER claims. For more information about Unison's Emergency Room payment policies, please see the attached correspondence that was sent to your facility on July 17, 2006.**
