

**Subject: Unison Health Plan Member ID Numbers**

**Scope: Unison MedPLUS & Unison Advantage products**

Effective January 1, 2006 many members previously enrolled in Unison's Medical Assistance plan (Unison MedPLUS) were passively enrolled into Unison's Medicare Advantage plan (Unison Advantage). Members passively enrolled into Unison Advantage received new Member ID cards along with new Member ID numbers. Please be sure when you are submitting claims to use the appropriate Member ID number.

During the transition period of January 1, 2006 to March 31, 2006, Unison will assist providers by changing the Member ID number, if the incorrect number is submitted. Please be aware that any claim received by Unison on or after April 1, 2006 with an incorrect Member ID number will deny for that reason.

As a reminder, Providers can check Member eligibility by utilizing the IVR (Interactive Voice Response) System at 1-888-586-4766 or by utilizing the Unison website at [www.unisonhealthplan.com](http://www.unisonhealthplan.com).

Should you have any questions, please contact Provider Services at 1-800-600-9007. Thank you for your cooperation regarding this matter.
